

Frequently Asked Questions

☐ When is the deadline to apply?

☒ Applications are accepted and reviewed on a rolling basis, though we recommend getting your application in early for maximum employer visibility.

☐ Does this internship provide sponsorship?

☒ Sponsorship decisions are made by our participating employers. The application has a question on citizenship status, so you can designate your potential needs.

☐ Is this application open to Graduate students?

☒ Yes. Students that will have completed four or **more** semesters of undergraduate study are encouraged to apply.

☐ What does the application entail?

☒ You will complete a skills test, a short video submission, and submit projects, portfolio links, and/or other supporting information to showcase all your strengths.

☐ Who do I contact with questions?

☒ The PowerUpTech webpage has a support form to submit any requests or questions you have.
